Staunton Community Unit School District #6 Expects Everyone's Best
**LEAD *CHALLENGE *ACHIEVE*

SENIOR HEALTH REQUIREMENT

A new law, Public Act 90-0607, was implemented for the 2015-2016 school year. This new law **requires students entering sixth and twelfth grade** of any public, private or parochial school, to receive an immunization containing meningococcal conjugate vaccine, according to the Centers of Disease Control.

The immunization requirement consists of **one dose of vaccine for 6th grade entrance** and **two doses for 12th grade entrance**, unless the first dose was administered to a child who was 16 years of age or older, in which case only **one dose** would be required at 12th grade entrance. This requirement must be completed before October 15th 2017, or your student will be excluded from classes until the requirement is met. Questions can be directed to the school nurse at (618) 635-3831 x253 or your current health care provider.

Thank you for your cooperation,

Ali Hughes BSN, RN
