

STAUNTON HIGH SCHOOL
NON-ACADEMIC FIELD TRIP POLICY

Staunton High School occasionally has the opportunity to take students on field trips. Field trips are a privilege offered to students that can enhance student learning and broaden a student's horizons. However, students must be in good standing in order to attend a non-academic field trip off campus. A student must not have more than one referral and/or more than 8 absences for the school year at the time of the field trip.

Students and their parents/guardians must sign the *Verification Form* acknowledging receipt of the *Non-academic field trip policy form* each year while the student is enrolled in the School District.
